ABOUT KULLU

Kullu (1220m) was once known as Kulanthapitha - the end of the habitable world. Beyond rose the forbidding heights of the Greater Himalaya, and by the banks of the shining river Beas lay the fabled Silver Valley. Kullu got its first motorable access only after independence. The long centuries of seclusion have however allowed the area to retain a considerable measures of its traditional charm. Here is the core of an intricate web of numerous valleys, each of which is a visual delight and seems more beautiful than the other.

The Silver Valley has nature's treasures that lie carelessly scattered as flowers. This wealth nestles by every tree in the splendid forests, bursts forth in the blooms and in the fruit of every orchard. Here are riches which cannot be measured and echo down the ages with the words of every myth and ancient legend and glow in the warm smiles of its gentle people. There is pleasure in every step you take in these enchanted valleys and in every gurgle you hear in the clear mountain streams.

ABOUT MANALI

One day, Varvasvata, the seventh incarnation of MANU found a tiny fish in his bathing water. The fish told him to look after it with devotion as one day it would do him a great service. The seventh Manu cared for the fish till the day it grew so huge that he released it into the sea.

Before departing, the fish warned Manu of an impending deluge when the entire world would be submerged and bade him to build a sea worthy ark. When the flood came, Varvasvata and seven sages were towed to safety by MATSYA, the fish which is regarded as first avatar of Lord Vishnu. As the water subsided the seventh Manu's ark came to the rest on a hill side and the place was named Manali (2050 m) after him.

As the flood slowly dried, here arose a place of breath- taking natural beauty which was only appropriate at Manali that life began again. Today this legendary cradle of all human kind is a prime holiday destination. There are high mountains surrounded by snow and deep boulder strewn gorges. There are thick forests full of cool breeze and bird songs. There are fields of wild flowers, small picturesque hamlets and fruit laden orchards.
